

GPSR safety assessment, BRIX CanKey Frost, on card (B-3331)

Technical documentation:

Art. No.: B-3331

Description: CanKey Frost ring-pull can opener on card. No moveable parts.

EAN-13 barcode No.: 5709587033313

Country of origin: Denmark

Size: 15 x 9 x 1,5 cm

Net weight: 32 g

Colours: Transparent blue

Material: ABS

Description:

Original and practical opener for all cans with a ring-pull opening device. No more broken nails and sore fingers from opening cans. Leave your kitchen without stains of food.

Place the tip of the CanKey under the ring and pull the handle. That way the lid is removed safely and without trouble. At the same time, and due to the controlled pulling, you avoid that the content of the can splashes out on clothes etc.

CanKey is made of high-density ABS and is designed by the award-winning Danish designer Marcus Vagnby. CanKey has no moveable parts, and is extremely durable. Dishwasher safe.

Internal risk analysis:

No specific risk of any kind. Safe to use.

No specific environmental risk. The product/ can be recycled.
